

New Procedures for Tumbling Classes

- 1) Beginning with September classes, class enrollment will roll over automatically.
 - If you wish to stay in the class for subsequent months, you do not need to enroll each month.
 - If you are currently enrolled in tumbling on either Monday or Friday or the Saturday 11:00am class, these classes are being discontinued and you will need to enroll through the portal.
 - If you wish to discontinue a class you are taking, you must either:
 - 1) Go online and unenroll the class by the 25th of the current month, or
 - 2) Notify Desert Storm in writing via email (to both receptionist@desertstormelite.com and accounting@desertstormelite.com) by the 20th of the month
 - There will be no refunds.

- 2) Beginning with September classes, if you cannot make a class and wish a make-up, you must
 - Notify Desert Storm in writing via email (to receptionist@desertstormelite.com) at least 3 hours in advance of the scheduled class.
 - The make-up class must be taken within 2 weeks of the missed class.
 - If there is no availability during the 2 week period, you may substitute an Open Gym during this same timeframe.
 - There will be no refunds.

- 3) Drop-ins are still available, however class size is limited to 15 participants so as to maintain a good tumbler to coach ratio.
